

Other Acceptable Qualifications

Persons who do not possess the qualifications mentioned in General Entrance Requirements and Programme Entrance Requirements but fit in one of the following categories may apply for admission:

1. a degree, an associate degree or a diploma awarded by a recognised post-secondary institution;
2. an International Baccalaureate Diploma;
3. satisfactory completion of the first year in a four-year undergraduate curriculum or the first year of an associate degree programme of a recognised institution;
4. satisfactory completion of two years of full-time study in a post-Form Five institution, e.g. a technical institute; or
5. other equivalent qualifications which the University will consider on a case-by-case basis.
