

SEMINAR

Fiscal Transparency and Fiscal Risks

(in English)

Professor Jesús Seade

Senior Advisor, Fiscal Affairs Department
International Monetary Fund

Date: 28 April 2006 (Friday)

Time: 10:00 a.m. – 11:15 a.m.

Venue: Council Chamber, G/F.,
Wong Administration Building

Abstract

The presentation will briefly review the experience concerning the role that transparency can have for economic outcomes, in the literature and through some estimates conducted by the speaker and colleagues, and will then present the Fiscal Transparency Code that the international financial community entrusted the IMF to develop after the Asian crisis and which he overviews, and discuss experience in its application.

ALL ARE WELCOME
