

COURSE DESCRIPTIONS 科目簡介

COURSE FOR 4-YEAR UNDERGRADUATE PROGRAMMES

ARS4301 Directed Research Project (6 credits)

Students enrolled in the course will work independently under the guidance of a supervisor(s) on a topic approved. The Directed Research Project requires approximately 8000 words in English or 10,000 characters in Chinese written under supervision. Students will meet regularly with their supervisors.

(For students registered for the interdisciplinary Major in Chinese Literature, History and Philosophy or a student-designed Major for a Bachelor of Arts degree.)
