FAQ (Banner Booking)

1. If I make a Banner booking, will the booking cover public holidays?

If the booking period covers public holidays, the session status will be displayed “Banner Class (Holiday)”, those marked this status will not be booked. You should make the general booking to reserve the timeslot for classes held on public holidays.

2. How can I transfer one of the timeslots in my Banner Booking to another CRN? (e.g. a Banner booking covers 14 weeks and wish to transfer the time-slot of 13th sessions to another CRN).
You will have to cancel the original Banner bookings and make new bookings for the original and the another CRN.

FAQ (Banner Booking)

3. How can I change the confirmed general booking to a Banner Booking?
 1. There should be a confirmed general booking by a PTRM user.
 2. The PTRM user makes booking for the Banner class under Banner Booking at the same timeslot & venue of the general booking (no confirmation email for this stage). The system only supports a banner booking overlapping a general booking by users under the same PTRM.
 3. Upon confirmation, Banner System will be updated for that Banner Class and it will be sync back every 5 minutes.
 4. User shall cancel the overlapped bookings in the General Booking and the schedule will then correctly display the info of the banner booking.
