## Policies and Guidelines of Applying Student Activities Fund and Student Society Activities with ILP Units

### Eligibility Requirements

- For Student Activities Fund: All Full-time UGC-funded Undergraduate and Postgraduate Students; Either as Individuals or in Groups
- For Student Society Activities with ILP Units: Recognised Student Societies

### General Policies and Guidelines

- Office of Student Affairs will not consider applications submitted by staff or faculty members.
- Approval for the applications will be determined by Office of Student Affairs.
- **Incomplete applications will not be considered.**

### *For Student Activities Fund*

- All projects will be assessed in terms of its objectives, its degree of social education; contribution and benefits to the organisers, participants, University, community and so on. Additional merit will be given to project that could demonstrate innovativeness, sustainability, excellent planning and design.
- In all cases, priority will be given to activities organised by group. A group should consist of at least three members. Preference will be given to:
  - Activities which involve a larger number of student participants;
  - Activities not restricted for members of the group;
  - Cross-study programmes activities which show joint effort and co-operation among different student groups;
  - Inter-collegiate activities, especially those heightening the identity and the image of the University.
- The budget will be scrutinised and the amount of Student Activities Fund will be endorsed by Office of Student Affairs

- The amount of subsidy will normally not exceed 80% of the expenditures budget. Fees for meals, uniform, guest speakers, performers and consultants will not be subsidised except in special cases.
- Subsidies will be reimbursed to the successful applicants after the reports and financial statements have been found in order by the Finance Office via Office of Student Affairs.
- Under special circumstances, and subject to the availability of funds, no more than 50% of the advanced subsidy will be granted to successful applicants before an activity takes place.
- The applicant must refund to the University the total amount of subsidy received under the following circumstances:
  - The applicant leaves the University before the completion of the activity (for individuals).
  - The responsible person of a group/society/club leaves the University and no person takes up his responsibility before the completion of the activity (for Groups).
  - The applicant fails to submit a report and a financial report along with official receipts to Office of Student Affairs within ONE month after the completion of the activity.
  - The applicant/group commits any misconduct during the activity or fails to complete the activity.

#### *For Student Society Activities with ILP Units*

- Proposed activity(s) should have strong training and/or learning elements.
- Qualified and experienced instructors / guest speakers / invited organisations are recommended, if necessary.
- ILP units in respective area(s) will be granted according to the objectives of programmes, as stated by the student societies and determined by the Management Committee of Integrated Learning Programme.
- Exchange/study tour programme should include related seminars and educational activities for participants.
- Proposal for retrospective unit recognition will not be considered by the Management Committee of Integrated Learning Programme.
- Normally, no more than 6 ILP units will be granted to each participant in one activity.
- No ILP units will be granted unless all the criteria above are met.

## Application Procedures

- Applications are open throughout the year and shall be submitted to OSA **4 weeks in advance** of the activity. Ad hoc applications may only be entertained upon request. Please be reminded that retrospective applications **will not** be considered.
- Applications shall be submitted to Office of Student Affairs on a prescribed application form which could be downloaded on the Office of Student Affairs website together with the activity proposal and budget plan (for applying SAF only).
- The applicant will usually be informed of the application result by email within 2 weeks after the submission of application (with full details).

## Final Evaluation and Financial Report Requirements

- Successful applicant is required to submit a final evaluation and/or financial report within **1 month** after the completion of each activity. **Late submission implies that the applicant forfeits to claim for the approved subsidy.**
- A final evaluation and financial report (typed in English or Chinese) upon completion of the approved activity(s) must contain the following information.
  - ✓ Activity name
  - ✓ Name of person completing report (must be the primary contact person)
  - ✓ Email address (must end in @LN.hk) and mobile number of person completing report
