

Global Leaders of Tomorrow

## Bachelor of Arts (Hons) in Global Liberal Arts 環球博雅教育(榮譽)文學士課程

**ONE Degree** with **Multi-campus** and **Multi-country**  
Learning Experience in at least **TWO Different Continents**

## Overview

Globalisation offers unprecedented opportunities as well as complex challenges. As one of the world's most global cities, Hong Kong is uniquely situated to reap its rewards as well as addresses the many challenges unleashed by the forces of globalisation. An important part of Lingnan's education mission is to prepare our students for this global age by providing them with the knowledge, skills and networks to enable them to successfully reap the rewards and address the complex challenges of our time with passion and commitment to social justice.

Through the Global Liberal Arts Programme (GLAP), students will acquire a broad spectrum of inter-disciplinary knowledge with global and regional perspectives. Together with the multi-campus experience gained through study abroad opportunities across continents, students of the GLAP will have a strong international outlook coupled with excellent intellectual, problem-solving, communication and critical thinking skills.

## Global Experience

Global experience forms an integral part of the programme. GLAP students will be able to:

- **Study abroad in two (up to three) different continents** (Africa, Americas, Asia, Australasia or Europe) during the third year and/or the first semester of the fourth year of their studies
- Study at **Lingnan's extensive partner university network** (230+ partners in 47 countries/regions) or as visiting students outside the University's exchange network for short-term programmes or semester-long programmes
- Study at some of the world's most prestigious universities, including but not limited to **Fudan University, King's College London, Kyushu University, the London School of Economics and Political Science, National Taiwan University, Peking University, Seoul National University, Tsinghua University, the University of British Columbia, the University of Tokyo, Waseda University and Yonsei University**

Enriched by the overseas experiences, students will broaden their knowledge and improve their skills, and in the process develop a global consciousness and become global citizens, with the capacity to pursue lifelong learning with rigor, purpose and empathy.

## Enrichment Activities

The GLAP organises a wide range of enrichment activities to enhance students' professional knowledge and personal development. These include career workshops, study tours, service-learning programmes and local, mainland and overseas internships.

## Mentorship Programme

Every GLAP student will be assigned a mentor who will share his/her life experience and success stories in academic study and career building with their mentees. The mentors, including **The Honourable Bernard Charnwut Chan GBS JP**, **Mr. Rex Auyeung Pak-kuen JP** and **Professor Frederick Ma Si-hang GBS JP**, are distinguished and committed Hong Kong and global leaders with splendid achievements in their careers. They are willing to devote their time and efforts to provide career advice to their mentees.

## Career Prospects

The GLAP equips graduates with transferrable skills and interdisciplinary knowledge which can be applied to different industries. With their own specific professional study area, GLAP graduates can also apply the area knowledge into the related career fields.

Our graduates are expected to

- enter **top graduate** and **professional programmes**
- **start enterprises** and become **leaders in business, management and industry**
- work as **leading policy makers** in government and in international organisations like the United Nations and in non-profit and non-governmental organisations.
