Graduate Sharing

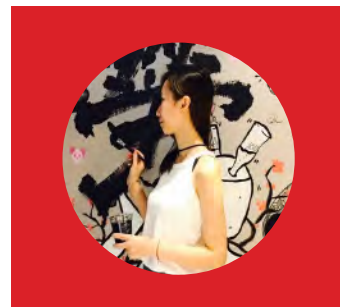

“ The programme has equipped me with professional and comprehensive knowledge of the banking and insurance industries. Not only does this programme lay a solid financial foundation for me, but it also broadens my connections with fascinating professors and mentors. Therefore, I am confident and well prepared for the challenging position as the founder of one of Hong Kong’s fastest-growing startups. ”

RONG, Nan Eddie

Graduate of BBA-Risk and Insurance Management

“ In the world of Art, the process is more important than the outcome”. This is what I have learned from my undergraduate studies. It means a lot to me. If I had not got the opportunity of joining the internship programme provided by the Department, I could not have developed an art-related career. It gave me a wide social network and a brand-new art world. ”

SO, Wing Yi

Art Development Officer,
TWGHs Jockey Club Sunshine Complex for the Elderly
Graduate of BA in Visual Studies
