

In line with the undergraduate training at Lingnan University, students will complete most common core (15 credits) and cluster courses (12 credits) in the first two years of schooling. During the first two academic years, students are expected to finish the two introductory courses (Introduction to Psychology and Introduction to Business Psychology and Organizational Behaviour) and research methods courses. Starting from the third year, students will concentrate on the subject-related required courses as well as the major electives.

同學需於首兩年完成大部分共同核心科目（15 學分），和課程組別科目（12 學分）。此外，亦需於首兩年完成兩個基本科目（心理學導論和商業心理學及組織行為導論）以及一些關於研究方法的科目。同學將於第三年及第四年專注修讀商業心理學的必修科和選修科。
