# 1 General and Programme Admission Requirements

Applicants must have obtained the following minimum requirements in the Hong Kong Diploma of Secondary Education (HKDSE) examination:

|                                     |                                                                   |
|-------------------------------------|-------------------------------------------------------------------|
| Chinese Language*:                  | <b>Level 3</b>                                                    |
| English Language:                   | <b>Level 3</b>                                                    |
| Mathematics Compulsory Part:        | <b>Level 2 (Level 3 for BSc (Hons) in Data Science programme)</b> |
| Citizenship and Social Development: | <b>Attained</b>                                                   |
| <u>TWO</u> Elective Subjects:       | <b>Level 2</b>                                                    |

Notes:

1. Mathematics Extended Part (M1 or M2) is recognised as an elective subject for the purpose of meeting the stipulated minimum requirements listed above.
2. Applied Learning subjects (Category B) may be recognised as electives, given bonus scores, or taken as tie-breakers by individual programmes.
3. Other Language subjects in Category C will be recognised as unspecified elective subjects.
4. For HKDSE applicants who took "Liberal Studies" in 2023/24 or before and have not taken "Citizenship and Social Development" in 2024/25 and thereafter, Liberal Studies (Level 2 or above) are accepted for meeting the Citizenship and Social Development subject requirement. However, the results obtained in Liberal Studies or Citizenship and Social Development are not counted in the admission score calculation.
5. Multiple sittings are acceptable, and no penalty or mark deduction for repeated sittings of a subject.

\* For applicants who have studied Chinese Language for less than six years while receiving primary and secondary education; or those who have studied Chinese Language for six years or more in schools which adopt an adapted and simpler Chinese Language curriculum not otherwise applicable to the majority of students in local schools, the University will accept the following as an alternative to the HKDSE Chinese Language:

- Grade E or above in the alternative Chinese Language qualifications of GCE A-Level/AS-Level; or
- Grade C/Grade 4 or above in the alternative Chinese Language qualifications of GCE O-Level/GCSE/IGCSE; or
- "Attained" or above in Applied Learning Chinese

## 4 Flexible Admission Arrangement

While applicants are required to meet the General Entrance Requirement of "332A22" (Level 3 or above in Chinese Language and English Language, Level 2 or above in Mathematics, an 'Attained' rating in Citizenship and Social Development, and Level 2 or above in two elective subjects), **specific programmes** will implement flexible admission arrangements for the 2026/27 academic year.

### **Key features of flexible admission arrangements**

- **Band A Programme Choice**  
Applicants must have placed a Lingnan University programme among their Band A choices.
- **Holistic Approach & Being Competitive Enough**  
The University will holistically review applicants' overall academic performance (e.g., Best 5 subjects) to ensure they are competitive enough for admission consideration, even with a result in Chinese Language or Mathematics that is one level below the standard requirement.

## 6 Category B (Applied Learning) Subject Recognition for 2027 Entry

Applied Learning (ApL) subjects under Category B may be recognised by individual JUPAS-participating programmes as elective subjects, extra score allocations, or tie-breaking criteria in admission scoring. Certain programmes assign specific relevancy weightings to designated ApL subjects relevant to their disciplines, while others consider ApL attainment on an unspecified elective basis. Detailed programme-specific recognition guidelines and weightings are listed in the table below.

| JUPAS Code    | Programme Title                                                 | Category                     | Courses                              | Subject Weighting |
