

Entrance Scholarship for Non-Local Students for the Economics Programme

The introduction of a prestigious full scholarship programme aims to attract outstanding non-local students to our economics programme. This scholarship would provide support, including full tuition, hostel accommodation, and partial coverage of academic and living expenses. Eligible candidates would be non-local students who demonstrate academic excellence, leadership potential, and a commitment to enriching campus diversity. Through this initiative, we hope to foster a vibrant and inclusive global community, enhancing both the academic environment and Lingnan University's international reputation.

- Each awarded scholarship is renewable and tenable for a period of up to the normative duration of study, subject to the annual review of academic performance and other renewable criteria as stipulated in the terms and conditions of the scholarship.
- The Scholarship is financially supported by the Department of Economics at Lingnan University.

Name of the Scholarship: Economics Entrance Scholarships for Non-Local Students (from AY2026-27 Entry)

Eligibility: Non-local applicants who applied for the University's UGC-funded first-year Economics programme will be considered to compete for this Full Scholarship.

Amount: up to HK\$205,000 per academic year (covering tuition fees, hostel fees, and partial academic and living expenses). The full scholarship is renewable annually on the condition that the scholarship recipient attains a cumulative GPA of 3.0 or above by the end of the preceding academic year (and in the first term of the final year).

Selection Criteria: The scholarship award would be dependent on outstanding academic performance and a good record of extra-curricular activities.

Scholarships (Renewable)	Amount (per academic year)	No. of Academic Year	Total Amount (for one scholarship recipient)	No. of Awards
Full Scholarship (covering tuition, hostel*, and partial academic and living expenses)	HK\$205,000 (HK\$175,000 for 2026 Year-1 Entry plus HK\$30,000^)	4	HK\$820,000	Up to 2

*Excluding Summer Term.

^The amount of expenses is the same as the amount for the 2025 Entry and may be updated according to the Registry.

Remarks:

1) An awardee who transfers from the Economics Department as a major student to another academic department or who discontinues their studies will automatically lose their eligibility for receiving the scholarship unless the discontinuation is for medical or extraordinary reasons. The awardee should return the entire scholarship to the Department of Economics.

2) The Department of Economics and the Registry will administer the scholarship.

3) The programme retains the right to make the final interpretation concerning the terms and distribution of the scholarship.
