嶺大對應屆內地高考生（包括複考生）採取自主獨立招生的政策，並不參加「全國普通高校統一招生計劃」（統招），不佔高校志願、不設文理限制、不設省市限額。

Why is the Arts Degree at Lingnan unique?**嶺南大學文學士學位有何獨特之處？**

Lingnan's Arts has a long history and proud place at the centre of liberal arts education in Hong Kong and the region. This is the best time to explore the benefits of liberal arts vis-à-vis artificial intelligence, virtual reality and automation. An Arts Degree develops the following important qualities:

- Excellent bilingual communication and organisation skills
- Strong critical thinking, reasoning, and argumentation skills
- International exposure with an open mind and cultural awareness
- Outstanding research skills and information literacy
- Creativity and imagination
- Courage, confidence, empathy, and sensitivity

嶺大文學院在本地的博雅教育中擁有悠久歷史與重要地位。當下正是探索博雅教育在人工智能、虛擬實境及自動化時代優勢和價值的最佳時機。完成文學士學位後，你能夠擁有以下重要能力和素養：

- 良好雙語溝通能力及組織力
- 扎實的思辨、推理和論證能力
- 在開放的心態和文化意識下發展的廣闊國際視野
- 熟練的研究技巧及資訊素養
- 創意及想像力
- 勇氣、自信、同理心和敏銳觸覺

What exciting career paths and opportunities does the programme offer for exploration?

課程能開啟哪些職業道路與機會？

By combining theories with real-world practice, students are empowered to express creativity in the rapidly evolving world of technology. Apart from the animation industry, the applications of animation and visual communication have been extended to advertising, brand building, film, gaming, education and many other fields. Our graduates are well-equipped to seize these flourishing opportunities.

課程提供全面的理論學習和技能培訓，引領學生在日新月異的科技發展中發揮創意。除了動畫產業，動畫及圖像傳意在廣告、品牌宣傳、電影、遊戲、教育等多個領域的應用已經越來越廣泛，而我們的畢業生具備競爭力，能夠迎接發展機遇。

What makes the programme unique?

課程有何獨特之處？

It provides all-round training from production, programming, storytelling through interactive art, workshops, combining lectures and lab exercises. Students are guided to plan and produce their own projects under the consultation of a faculty supervisor, preparing them for their future professional pathways.

課程為學生提供製作、程式設計、互動藝術、工作坊，並結合講座與實驗室練習等多種學習模式的全方位訓練，在導師的密切指導下，規劃並製作屬於自己的項目，發展個人專業及未來職業方向。

FAQ
常見問題

What makes the programme unique?

課程有何獨特之處？

The programme is organised into 4 major fields. Under the guidance of experts and teachers, students are inspired to explore Chinese literature and language from diverse perspectives. Through various department activities such as the Writer-in-Residence (WiR) Programme, the Lingnan Chinese Culture Programme, and field work, students deepen their understanding of Chinese in a vibrant and supportive environment.

課程設四大範疇，在多位專家及老師帶領下，啟發學生從多角度鑽研中國語文及文學，並透過不同的學系活動，包括駐校作家計劃、國學堂講座系列、實地考察等，讓學生在多姿多彩、氣氛融洽的環境下研習、深化對中文的認識。

FAQ
常見問題

In what ways can the Writer-in-Residence (WiR) programme enhance students' writing skills?

駐校作家計劃如何提高學生的寫作能力？

The Chinese Department regularly invites renowned local and international writers to serve as Writer-in-Residence (WiR). During their residency, these writers lead creative writing classes, academic lectures, and workshops. This provides students with a unique opportunity to engage directly with established authors. Overall, the experience aims to inspire and foster students' own creative development and writing skills.

中文系定期邀請本地或海內外著名作家成為駐校作家，駐校期間，他們會教授或合教文學創作及舉行學術講座及工作坊，讓學生近距離與著名作家討論創作，啟發及促進學生的創作。

常見問題

What exactly do students study in Cultural Studies?

文化研究系，究竟研究些甚麼？

Cultural studies intersect and delve into a wide range of topics of everyday life, addressing different social issues, including community economy, gender equality, media studies, artificial intelligence (AI) and many more.

作為一門跨領域學科，文化研究關注及研究日常生活中各種互相交織的議題，涵蓋社區經濟、性別平等、媒體研究，甚至延伸至人工智能 (AI) 等新興領域。

What's the difference between the 2 concentrations?

課程的兩個主修方向有甚麼分別？

'Cultural Commons, Social Innovation, and Creativity' centres on community economics, social entrepreneurship, ethical consumerism, and sustainable development, empowering students with the skills and knowledge to contribute effectively to social and cultural transformation. 'Digital Culture and Media Practices' demonstrates the diverse perspectives inherent in cultural studies, equipping students to respond to the opportunities and challenges presented by artificial intelligence and media technology today.

「文化共享、社會創作與創造力」著重於社區經濟、社會企業、道德消費和可持續發展等範疇，為學生提供知識和技能，鼓勵學生積極參與社會及文化發展；「數碼文化與媒體實踐」彰顯文化研究多角度思考的精神，裝備學生應對人工智能和媒體科技發展帶來的機遇與挑戰。

FAQ
常見問題

Why is it still necessary to study English in the age of artificial intelligence (AI)?
在人工智能 (AI) 盛行下，為甚麼我們仍需要修讀英語研究？

English studies remain an irreplaceable field that fosters critical thinking, in-depth analysis, cross-cultural understanding, and the cultivation of creativity and humanity. The programme nurtures imagination and communication skills that AI can never replace through small-class teaching, creative writing workshops, English book clubs and other activities.

英語研究在於培養學生的批判思維、深度分析能力、跨文化理解、創造力及人文精神。英文系透過小班教學、創意寫作工作坊、英語讀書小組等方式，教授及培養學生AI不可取替的想像力及語言溝通技巧。

What do the 5Cs represent in the programme values?

課程核心價值中的「5Cs」是甚麼意思？

The 5Cs include Creativity, Curiosity, Culture, Communication and Collaboration, which help students develop imagination, an interdisciplinary and global approach, linguistic and literary knowledge, and teamwork skills, enabling them to perceive English as much more than just a language.

「5Cs」包括：創意 (Creativity)、好奇心 (Curiosity)、文化 (Culture)、溝通 (Communication) 及協作 (Collaboration)，幫助學生培養想像力、跨學科能力與全球視野、語言與文學知識，以及團隊合作能力，讓學生理解英語不僅只是一種語言。

FAQ
常見問題

Why is learning History at Lingnan important to students?

對學生而言，為甚麼在嶺大學習歷史是重要的？

In small-sized classes, students gain a deeper understanding of historical causes and effects, equipping them with analytical skills to evaluate trends, understand current issues with strategic foresight, and make informed decisions.

在小班教學中，學生能分析趨勢及洞察當前議題，更深入理解並梳理影響歷史變遷與發展的因果脈絡，培養決策的能力。

What kind of historical research will students be studying?

學生將會進行甚麼類型的歷史研究？

Students will engage in a variety of historical research areas that broaden their perspectives and analytical skills throughout the 4-year curriculum. They may choose to declare a concentration in Asian or Global history, and pursue substantial research in their final year through the Senior History Directed Research Project.

學生將在四年課程中涉獵多元的歷史研究領域，以拓展視野並培養分析能力。他們可以選擇專修亞洲或全球歷史，並在最後一年的「高級歷史指導研究項目」展開深入研究。

Why choose Philosophy at Lingnan?**為甚麼選擇嶺大哲學系？**

Lingnan's Philosophy programme offers a rich humanistic environment that encourages students to explore diverse areas of thought and develop a profound understanding of philosophical principles. Small-sized classes foster close interaction between teachers and students, enhance the quality of teaching and learning, and create an ideal environment for in-depth discussion of various topics.

嶺南大學哲學系能讓學生在濃厚的人文氛圍中，接觸多元而廣泛領域的議題，全面理解並深入探究哲學。小班教學促進師生密切互動，提高教與學的質素，並營造理想氛圍，讓師生可以深入討論各類導修課題。

Who is suitable for studying philosophy?**甚麼人適合修讀哲學？**

The term 'Philosophy' originates from ancient Greek, meaning 'love of wisdom.' It explores the foundations of personal and social values and engages deeply with fundamental questions such as the meaning of life, the nature of beauty, and the existence of fate. This programme is ideal for students who enjoy probing deeply into profound issues, debating diverse perspectives, and approaching ideas with an open mind.

「哲學」一詞源自古希臘，意為「愛智慧」。哲學致力於探究個人與社會價值的基礎，並深入思考生命意義、命運是否存在、美的本質等根本問題。如果學生樂於尋根究底、在多元觀點之間往來辯論，又能以開放心態面對不同思想，本課程非常適合你。

FAQ
常見問題

With the rapid development of artificial intelligence (AI), do students still need to study translation?

人工智能發展蓬勃，學生還需要修讀翻譯嗎？

Of course. While AI can quickly translate large volumes of text, it often overlooks crucial aspects like context, cultural background, empathy, and critical thinking. A skilled multilingual, cross-cultural communicator embodies humanistic spirits and genuine emotions—subtle nuances between the lines are something AI cannot replace.

需要，人工智能雖然能夠快速翻譯大量文本，但往往忽視語境、文化背景、情感表達、批判思維的重要性；人類的翻譯富有人文精神、真實情感等，這些字裡行間的準確和微妙都是人工智能無法取代的。

What developments in the programme address the needs of students and society?

課程有哪些新變化，以回應學生需要及配合社會發展？

The programme has introduced 7 new courses in recent years, covering topics such as corporate communication, public relations, the application of Artificial Intelligence, and adaptation translation, broadening students' horizons to prepare them for the workplace while also challenging the stereotype that translation studies lead solely to careers in translation.

課程近年新增了七個科目，涵蓋企業傳訊、公共關係、AI應用、文本改編，開拓學生視野、投身職場，並打破「讀翻譯只能做翻譯」的既定印象。

常見問題

Who should consider studying the BAPAI programme?

誰應該考慮修讀此課程？

The BAPAI programme is Hong Kong's first undergraduate programme to integrate philosophy, ethics, and artificial intelligence (AI). If you are curious about exploring the nature of understanding, reasoning, and consciousness, as well as the ethical implications and potential risks of AI systems, then BAPAI is the right choice for you!

BAPAI 是香港首個融合哲學與 AI 的課程。如果你對人類及 AI 的理解、理性及意識模型有興趣，或者對 AI 產生的倫理及風險有興趣，這門課程正是恰當之選。

CHEN ZiQi 陳紫琪, BA (Hons) in Animation and Digital Arts (2024 Graduate)

ADA transformed my passion for traditional art and filming into skills in motion graphics and 3D production. The dedicated and welcoming faculty, guided me every step of the way, helping me develop my artistic skills across new mediums. The programme focuses on intensive training and career readiness, covering a wide range of topics such as 2D/3D animation, graphic design, and game development. The professors are insightful, recognising our strengths and guiding our career paths, even if we're new to the field.

I am currently studying a master's degree to further my expertise, and I wholeheartedly recommend ADA to any student passionate about animation!

動畫及數碼藝術課程 (ADA)，將我對傳統藝術和拍攝的熱情轉化成動態設計與三維製作的技能。教授們在每個階段都細心指導，幫助我掌握全新的媒介和繼續發展藝術才能。課程設計亦為同學將來就業提供了充實的準備和訓練，涵蓋了二維及三維動畫、平面設計和遊戲開發。即使剛開始我們對這個領域還很陌生，教授們亦會因材施教，並提供職涯指引，令我們對自己將來的發展更有信心。

我目前正在攻讀碩士學位，希望進一步深化專業能力，我由衷推薦 ADA 給所有熱愛動畫的學生！

TANG Ka Hei 鄧嘉嫻,
BA (Hons) in Chinese (Year 3, 2025-26)

Studying BA in Chinese has deepened my literary and grammatical knowledge, enhanced my writing and literary analysis skills, and cultivated critical thinking. I am deeply grateful for my teachers' guidance.

中文系課程增進了我的文學和漢語語法知識，提高了我的寫作和文學分析能力，培養了批判性思維。感謝老師們的悉心指導。

CHOW Long Ho, Mosco 周朗浩,
BA (Hons) in Cultural Studies
(Year 3, 2025-26)

Studying Cultural Studies sparked my interest in questioning everyday norms and understanding the power dynamics behind them. It taught me to analyse familiar aspects of life from various perspectives, enhancing my critical thinking skills.

經歷文化研究的學習後，我開始對一些習以為常的事情產生好奇，漸漸萌生探討背後權力架構的興趣。文化研究喚醒了我對日常事物思考的能力，學會用不同角度剖析我們生活中那些早已習慣的事物。

Bibi RUKAYYA, BA (Hons) in Contemporary English Studies (2022 Graduate)

Choosing to pursue the English Studies at Lingnan has been one of my best decisions. Unlike other universities, Lingnan's dedicated professors offer unwavering support, instilling confidence in students. The program fosters a love for literature and opens doors to countless professions which includes teaching, translation, marketing and public relations.

選擇在嶺南大學學習英語研究是我做過的最佳決定之一。與其他大學不同，嶺南的專業教授給予學生的堅實支持，讓我們充滿信心。課程培養了我對文學的熱愛，並為學生打開眾多職業的大門，包括教學、翻譯、市場營銷和公關。

WANG Jing Ru, Marissa 王靜如,
BA (Hons) in Translation (2025 Graduate)

Literature performs the world, language tells its goals while translation builds a road for you to understand the messages beyond the row. I have had a fruitful academic journey with passionate professors and lecturers in the Department of Translation.

文學演繹世界，語言道出旨意，而翻譯則為你鋪設一條理解文字背後訊息的橋樑。我在翻譯學系與充滿熱誠的教授及講師同行，展開了一段充實而豐碩的學術歷程。

LAM Wai Ching, Jade 林煒晴, BA (Hons) in Film and Visual Arts (Year 4, 2025-26)

FVA played a pivotal role in helping me realise my dream of becoming an expert in filmography and creating works I am genuinely proud of. Throughout my journey, the programme enriched and enhanced my skill set with both conceptual insights and practical techniques, including genre exploration and understanding the system of the film industry. I also gained hands-on experience through practical courses like video art and an overseas internship in the United States. Additionally, the faculty encouraged us to explore related areas, and I had the opportunity to curate my first art exhibition alongside fellow artists, which broadened my interests and enhanced my career viability.

電影與視覺藝術課程(FVA)，在我追尋夢想、立志投入電影專業及創作路上，扮演了舉足輕重的角色。過程中，無論是觀念啟發還是實務技巧，這門課程都大大豐富並提升了我的專業能力，包括對電影類型，以及對電影工業體系的認識。我亦在錄像藝術課程以及在美國的海外實習機會獲得了珍貴的經驗。老師們更會鼓勵學生探索相關領域，我有幸能與其他創作者共同策劃我的第一個藝術展覽。我認為FVA課程不僅拓展了我的興趣，更提升了我的職涯發展潛力。

TANG Kwan Yuen 鄧鈞元, BA (Hons) in History (Year 3, 2025-26)

Historical training in Lingnan University has equipped me with critical thinking that allow my academic work and community service to complement each other through integrated practice.

歷史系的史學訓練賦予我貫通古今之思辨能力，讓我的學術發展與社區服務相輔相成，篤行知行合一。

Gabriella NG 吳嘉倩, BA (Hons) in Philosophy (2021 Graduate)

Choosing the Philosophy Department at Lingnan University is a decision I remain deeply grateful for. Nothing has inspired me more than philosophy, and I cherish the time I devoted wholeheartedly to its study.

最初進大學的唯一目的就是進入哲學系，至今仍然感激當時的自己。哲學帶給我的撼動並沒有其他事物能夠比擬，極為慶幸進入社會之前有這樣一段能全心投入哲學的時光。
