### **Brief Course Description**

This course is designed for training students to acquire appropriate language use in the Korean-speaking business sector. The course contents consist of necessary terms, expressions, and formal sentence structures under specific themes in business context, such as interview, practical business affairs and business report etc. To enhance students' proficiency in both written and oral areas for business purposes, a variety of tasks for formal writing, and speaking and activities, such as presentation, simulation, and role play would be provided in the class. Also, authentic listening and reading materials would be given for better listening and reading comprehension.

### **Aims**

The main aims of this course are to help students to acquire strategic communicative skills for business purposes by providing more opportunities for students to learn related expressions and specific language styles. This will be a good opportunity for the students to encounter more practical Korean language use for their job seeking. Also, it helps students to increase their awareness of Korean business culture. The main objective of this course is to make students feel familiar with the use of actual terms and expressions for business purpose and culture in Korea. Upon the completion of this course, students will be ready to explore the Korean job market with appropriate language skills.

### **Learning Outcomes**

On completion of the course, students will be able to:

1. Demonstrate understanding of relatively simple contents of written and oral text in business circumstances.
2. Demonstrate the ability to use common terms and expressions for business purposes in Korean.
3. Interpret and express appropriate responses and reactions reflecting their Korean pragmatic skills in a Korean business context
4. Adapt the cultural features of Korean business society to their language use.

### **Indicative Content**

The contents of this course consist of a total of 8 themes for Business purpose.

1. 면접 (Interview)
2. 직무 / 실무 교육 (Duty / Hands-on experience education)
3. 업무보고 (Reporting task)
4. 전화통화 (Business Phone calls)
5. 일정조율 (Scheduling for business purpose)
6. 의견제기 (Suggesting opinions)
7. 문제해결 (Problem solving)
8. 도움요청 (Requesting assistance)

### Teaching Method

Based on lectures, interactive tutorials will be provided including various language course activities. Since Korean is a less commonly learned language in Hong Kong, class operation will focus on maximizing the opportunities of students' actual use in class employing task-based learning methods.

### Measurement of Learning Outcomes

Student learning outcomes will be assessed in the following ways:
