NURTURING LEADERS IN INTERNATIONAL BANKING AND FINANCE WITH GLOBAL MINDSET
培养拥有环球智慧的国际银行与金融业领导者

SHARING FROM ALUMNI 毕业生感言

Like many students, I entered the MIBF programme still figuring out my direction. What MIBF provided was clear focus. The curriculum not only taught concepts, but also illustrated how financial system operates in practice, equipping me with technical and operational skills. Passing the FRM Level 1 reinforced my confidence in regulatory frameworks and industry best practices.

Professional seminars connected classroom learning with current industry practices. For example, I gained valuable insights into compliance trends, operational workflows, and the mindset needed to navigate a regulated financial environment. Our Singapore Study Tour was an enlightening experience. The visits to the World Bank's Infrastructure and Urban Development Hub broadened my international perspective and inspired me to consider long-term impact in the financial sector.

I truly appreciated the unwavering support from MIBF professors, who generously shared career advice, helping me stay focused and keep improving. Now, I'm excited to join KPMG Advisory (Hong Kong) as an Operation Executive, supporting client delivery and project operations related to regulatory and compliance services.

MIBF was more than a degree—it was a platform that helped me turn professional goals into real opportunities.

和许多同学一样，我在进入MIBF课程时仍在摸索自己的方向。而MIBF带给我的，是清晰的目标。课程不仅传授了理论知识，更展示了金融体系在实际中的运作方式，使我掌握了技术和操作层面的实用技能。通过FRM一级考试，也增强了我在监管框架和行业最佳实践方面的信心。

专业研讨会将课堂学习与当前行业实践紧密相连。例如，我在合规趋势、操作流程，以及在受监管金融环境中所需的心态等方面获得了宝贵的见解。新加坡游学之旅也是一段启发颇深的经历。参访世界银行基础设施与城市发展中心拓宽了我的国际视野，也激励我思考金融行业的长远影响。

我由衷感谢MIBF教授们始终如一的支持，他们慷慨地分享职业建议，帮助我保持专注、不断进步。如今，我很高兴将加入毕马威咨询（香港）担任运营专员，负责与监管及合规服务相关的客户交付和项目运营工作。

MIBF不仅仅是一个学位——它更是一个平台，帮助我将职业目标转化为真正的机遇。

Ms DENG Jiamin 邓嘉敏
2024/25 Graduate
Process Quality Specialist
UBS Hong Kong

Like many students, I entered the MIBF programme with several years of experience in the banking industry, I am currently with Standard Chartered Bank in Hong Kong. I chose the MIBF programme to deepen my understanding of Hong Kong's financial markets and broaden my knowledge in areas such as investments, derivatives, corporate finance, and fixed income.

What I value most about MIBF is its strong faculty. The professors combine solid academic expertise with extensive industry experience, making the learning experience highly relevant to real-world financial practice. Their support also extends beyond the classroom through valuable advice on career development and industry trends.

The programme has strengthened my financial knowledge and helped me better understand Hong Kong's financial landscape. I also benefited greatly from alumni sharing events, where I learned from outstanding alumni across different financial sectors and expanded my professional network in Hong Kong.

我曾在银行领域工作多年，目前就职于香港渣打银行。选择修读 MIBF，是希望在已有银行工作经验的基础上，进一步了解香港金融市场，并系统学习投资、衍生品、公司金融及固定收益等专业知识。

对我而言，MIBF 最具价值的是优秀而专业的师资团队。课程老师不仅具备深厚的学术背景，也拥有丰富的金融行业及实务经验，能够将理论知识与真实市场案例相结合。除了课堂教学外，老师们也愿意在求职、职业规划及行业发展方面给予学生建议和帮助，让我受益良多。

此外，MIBF 举办的校友分享活动也让我有机会认识不同年级、不同金融领域的优秀校友，从他们的职业经历和行业经验中获得启发，并进一步拓展在香港的职业视野与校友网络。

Mr YAN Zhongrong 严仲荣
2025/26 Graduate
Senior Business Development Officer
Standard Chartered Bank
