

## About AR Charitable Foundation Scholarship

The AR Charitable Foundation Scholarship Scheme is established for outstanding undergraduates in Risk and Insurance Management (RIM) of Lingnan University on a generous earmarked donation of at least HK\$10 million from AR Charitable Foundation Limited. The scholarship will be effective for eight years from the academic year 2013-14 to 2020-21.

This is one of the most comprehensive scholarship schemes for RIM students in Hong Kong, providing partial or full coverage in tuition and hostel fees on an annual basis. Up to HK\$450,000 can be offered to each final year RIM student who has successfully applied to the Master in Science programme in Insurance (or RIM or financial services) at CASS Business School, City University London.

### Eligibility and Criteria of Applicants

- Year 2, Year 3 and Year 4 undergraduate students in RIM at Lingnan University with outstanding academic performance, or final year RIM students who are offered a place to pursue the MSc degree in Insurance (or RIM or financial services) at CASS Business School.
- Those who possess strong career aspirations in the insurance industry.
- Students who apply for scholarships to pursue the MSc degree at CASS are required to demonstrate their intention to return to Hong Kong and take up insurance-related employment for at least two years.
- Priority will be given to local students. During the award period, no more than 10% of the scholarships will be granted to non-local students.

### 「德和慈善基金獎學金計劃」簡介
