

## **Messages of Support for AR Charitable Foundation Scholarship Scheme** **保險業界支持「德和慈善基金獎學金計劃」感言**

### Hong Kong Federation of Insurers

As an industry body representing the majority insurance companies, HKFI is committed to advance and promote the development of the insurance business in Hong Kong. HKFI is delighted to see the launch of the AR Charitable Foundation Scholarship Scheme for undergraduate students of the Risk and Insurance Management Programme at Lingnan University. With generous financial, academic and professional support to the awardees, we believe the AR Charitable Foundation Scholarship Scheme will help nurture young talent of high calibre and with strong aspirations to join the industry and excel in their careers. We look forward to welcoming more bright, committed young graduates to join the profession, and working with them to enhance professionalism of and thus public confidence in the insurance industry.

### Hong Kong Society of Certified Insurance Practitioners

Insurance plays an important role in Hong Kong's economy and contributes over 11% of GDP annually. This is a sector in which one can develop a prosperous career. The AR Charitable Foundation Scholarship Scheme provides awards to students during their insurance studies, including valuable opportunities for selected students to attain Master's degrees abroad. This is a great track for you to become an insurance professional. The HKCIP is prepared to provide assistance wherever it can, and works closely with the Scheme and Lingnan University to support students. If you equip yourself with the right qualifications, the insurance industry will be there for you.

### The Insurance Institute of Hong Kong

The Insurance Institute of Hong Kong is excited by the establishment of this important scholarship. The insurance industry in Hong Kong continues to grow and is a cornerstone of the Hong Kong economy. A career in the insurance industry offers a multitude of opportunities and the best way to enter this global industry is through university study. The IIHK fully supports the establishment of this scholarship and the great work being done by Lingnan University to promote the insurance industry and supporting students to complete the degree and enter the industry. The IIHK is excited to be working with Lingnan University to help students transition from student life into the industry and further professional development.
