

Facilities in hostels provided for student residents

Laundry

- Residents could use the laundry rooms equipped with washing and drying machines in the resident hostels.
- The laundry room is equipped with 4 washing machines and 3 dryers in Hall to F, and a shared laundry room with 9 washing machine and 8 dryers for WHC and WJY Hall, which are all Octopus Card-operated.
- The operation hour of Laundry Room is from 7 a.m. to 2 a.m. daily. The charge for using the washing machines is HK\$6 per cycle and the drying machines is HK\$1 per seven minutes.

Parking Facilities

- Staff residents could apply for parking permits from the Comptroller's Office. The annual fee of the parking permit is HK\$800.
- The approval of parking permit to staff residents is subject to the availability of the parking space.
- Owing to the limited parking space available in the hostel areas, only wardens and senior tutors are permitted to park their vehicles in the hostel areas.
- Vehicles parked without a valid permit or parked in an area not designated for parking will be locked and penalised.

Air-conditioner

- Student accommodations are provided with air-conditioners.
- Air-conditioning charges are to be settled by student .

Medical Services

No medical service would be provided for hostel members on top of their normal entitlements as LU staff or students.

- In case of emergency, dial 999 or directly go to the Accident and Emergency Department of Tuen Mun Hospital.
- Assistance can also be sought from the FMD (O&M) at 2616 8705 (24 hours).
- Residents could seek consultations from the medical clinics operated in nearby areas (e.g. Fu-Tai Estate, Tuen Mun Town Centre, etc.).

Telephone

- Free public telephones are available at the lift lobby on each student bedroom floor and the common room floor.
- Basic telephone services are provided in the staff residents' accommodations with the charges waived. If required, staff residents can make their own arrangement or contact the CO when applying for IDD service (PCCW only).
- All telephones are not provided with international call service.

Pantry / Kitchen

- A pantry is available on each student floor and the common room floor.
- Boilers and microwave ovens are installed in all the pantries.
- Refrigerators are available at the lift lobby on each student bedroom floor and the common room floor.

Vending Machines

- For residents' convenience, there are vending machines selling soft drinks and snack in the common rooms.

Audio-Visual Facilities

- Television set, DVD player and Cable TV are provided by the University in the common room of each hostel.
