

4-22 July 2022

Lingnan University's Faculty of Business is one of the participating universities of the *Globex Julmester Program* (the Program) organized by Peking University. Details please visit: www.ln.edu.hk/fb and <https://globex.coe.pku.edu.cn/>.

College of Engineering
PEKING UNIVERSITY

Benefits:

- Students who are selected and enrolled to the Program will enjoy full GLOBEX registration fee waiver and tuition fee waiver.
- Students who successfully complete the program will be awarded certificate conferred by Peking University.
- Globex offers courses that focus on: 1) engineering & science, 2) innovation & entrepreneurship, and 3) China & globalization.
- All classes are taught in English by well-known professors in the world.
- Examinations will be conducted after the Program.

Note: *The format of Globex 2022 will depend on the national and school policy of pandemic prevention and control.*

Application:

Interested UG, RPg and TPg students are required to complete the application form and sent to the Undergraduate Programmes Office, the Faculty Office and the Taught Postgraduate Programmes, respectively.

Application Deadline:

1st batch: 5 March 2022/ 2nd batch: 31 March 2022

Selection:

Limited offers are available to our UG, RPg and TPg students. A Selection Panel will be set up to shortlist successful applications.
