

Career Planning Sharing — For the Future

Date: April 17, 2025

Speaker: Ms. Liu Rong (Former Vice President of Trends Group)

To support students in their career planning and personal development, a Career Planning Sharing event was held on April 17, 2025. Ms. Liu Rong, former Vice President of Trends Group, guided students through career choice logic, resume writing, and interview techniques. Through a series of practical case studies, Ms. Liu helps students assess their strengths and external opportunities. She also provides detailed explanations on essential job application details. Ms. Liu encourages students to integrate career planning with personal development, setting long-term career goals to lay a solid foundation for their future growth.

Value and Gains of the Activity

Through this activity, students received practical career guidance and deepened their understanding of effective career planning. Ms. Liu's insights helped them evaluate their strengths and identify external opportunities, crucial for navigating their professional paths. The event provided a platform for direct interaction with an industry expert, offering valuable experiences and detailed guidance on resume writing and interview techniques. These interactions laid a solid foundation for

students' future career development, boosting their confidence and motivation. By integrating career planning with personal growth, students set long-term career goals, positioning themselves for a more defined and fulfilling career journey. The knowledge and inspiration gained from Ms. Liu's sharing steered them towards a clearer and more enriching professional future.
