Admission Requirements Auo

General qualifications

- Hold a bachelor's degree awarded by a recognized tertiary institution or have equivalent qualifications, which will be considered on a case-by-case basis.

Language requirements

- An applicant whose degree is not from a tertiary institution in Hong Kong or an English-speaking country should obtain a minimum score of 550 (paper-based test) or 79 (internet-based test) in the Test of English as a Foreign Language (TOEFL), a band score of 6.5 or above in the International English Language Testing System (IELTS).
- Applicants who do not fulfil the above language requirements but have an equivalent score in a recognized test, or an equivalent qualification assessment to prove their language proficiency may be considered on a case-by-case basis.

Remarks

- A recent GMAT or GRE test score, while not required, will be helpful in determining admittance into the Programme.

Pre-entry courses

- Applicants with no or limited background in insurance and statistics in their bachelor's degree will be required to pass the pre-entry course(s) "Fundamental of Insurance" and/or "Statistics Workshop" prior to the start of this Programme.

Scholarships & Financial Assistance

- Scholarships might be considered for outstanding students on the basis of academic merit.
- Local students are eligible for applying the Extended Non-means Tested Loan Scheme (ENLS).

Career Destination

- Career opportunities include positions in insurance companies, banks, and other related financial institutions. MPhil or PhD programmes are also

MSc in Risk and Insurance Management
