Mr Johnson Hon is the Managing Consultant at HANSEL. Johnson specialised in Hong Kong Financial Services Sector with focus on middle to senior level placement, market research and mapping, licensing & manpower advisory, special projects such as team move/new platform set-up for SFC licensed financial institutions. Johnson's major clients include tier-1 & 2 Chinese Brokerage firms, Investment Banks and Asset Managers. Prior to HANSEL, Johnson served as Recruitment Consultant at a leading Singapore executive search firm covering the private banking and asset management sector.

Mr Wayne Wong is the Managing Consultant at HANSEL who specialised in the Financial Services domain. He started his career as a recruiter in Banking and Finance at a leading Singapore search firm, and later joined HANSEL in late 2014 and has been with HANSEL ever since. Wayne's major clients include tier-1 Chinese brokerage firms, Chinese bank-backed investment banks, Chinese asset management firms, Asia leading PE firms, and local hedge funds. He has solid experience in serving both sizeable platforms as well as small-to-mid sized clients, and has supported his clients on executive search, recruitment planning, and general licensing/manpower advisory.
