Advisory Board

An Advisory Board comprising of esteemed scholars and practitioners in the field of digital history. The role of the Advisory Board is to act as an interface between the community and the programme. Chairman and members of the Board are to be nominated by the Convener and appointed by the Senate to give advice on programme matters.

The Terms of Reference of the Advisory Board are:

1. The Advisory Board will help plan and keep under review the following aspects of work, including future developments:
2. The level and length of the programme and its courses in relation to local needs;
3. The relevance of the programme and its courses in relation to local needs;
4. The prospects of local employment for graduates;
5. The adequacy of the equipment and other resources of the Programme for the fulfilment of local needs;
6. The development of teaching and other activities carried out jointly by the Programme and the appropriate sector of the community;
7. Investigation consultancy and other services given by the Programme;
8. The assistance which the community can give to further the objectives of the University in the subject concerned by way of practical training facilities, the provision of part-time teaching staff and equipment, the award of scholarships, student-fellowships, etc.
