

Access to Lingnan University Wi-Fi on iOS for eduroam & Universities WiFi

1. Go to **Settings** and click **WLAN**.
Make sure your WLAN is on.
Choose **eduroam** or **Universities WiFi** from Network.

2. Enter your **email address from your institution** as username.
(For example: student@ln.hk or staff@ln.edu.hk)
Don't forget to enter **password** as well.

3. Click **Trust** to install the Lingnan certificate, if prompted.
