

## Guidelines and Procedures for Launching Minor Programmes

### 1. Introduction

In addition to a Major programme, an undergraduate student may register for one or two Minor programme(s). For launching a Minor programme, the proposal must undergo proper approval procedures for academic quality assurance.

### 2. Approval Procedures

In case a Minor programme consists of courses outside the hosting unit, the endorsement of the relevant Department Board(s) (the Head(s) of Department may give endorsement on its/their behalf) needs to be sought.
