

# LU ZHENGAIWA, EVA (盧鄭愛娃)

Eva Lu Zheng is currently pursuing a Bachelor of Social Sciences at Lingnan University, majoring in Psychology. Through her studies, she has developed a strong interest in understanding human cognition, emotions and behaviour, as well as exploring how psychological knowledge can be applied to everyday life and society. Born and raised in Spain in a Chinese family, she has developed a multicultural perspective and strong cross-cultural communication skills through her upbringing and international experience. She speaks Spanish, Chinese, English and French.

Eva currently serves as an Undergraduate Student Representative on the Council of Lingnan University, having previously served as an Undergraduate Student Representative on the University's Court and Senate. Through these roles, she is committed to representing students' perspectives and strengthening communication between the student body and the University.

She has also served as President of the Chinese Students and Scholars Association，Lingnan University (LUCSSA), having previously held the position of Secretary of its Ministry of Foreign Affairs. In addition, she serves as President of the Basic Law Society, Lingnan University and as a Student Ambassador at Lingnan University, participating in various university events and student initiatives. She is also serving as Vice-President of CSSAHK, contributing to the well-being of all students studying in Hong Kong.

Beyond student leadership, Eva has been involved in peer support and mental health awareness through the Peer Counsellor Scheme and Mental Health First Aid Standard Course. She has also volunteered with the Hong Kong Youth Mainland Technology Exchange Group, demonstrating her interest in youth development and cross-cultural exchange.

Her interests include applied psychology, human behaviour, youth development, intercultural communication and community engagement. She hopes to continue contributing to the Lingnan community by promoting student participation, inclusiveness and meaningful exchange among young people.
