Students Taking Active Roles (STAR) Programme-
Sparkle your University Life!

What is STAR?

The Students Taking Active Roles (STAR) Programme recognises students with active participation in activities promoting campus integration and internationalisation. Students signing up for the STAR Programme would act as Lingnan Global Ambassador and achieve Gold, Silver or Bronze Award according to their level of participation and performance. The award would be shown on their transcripts as a testimonial. Certificates of accomplishment would also be issued upon their successful completion of the Programme.

Who can participate?

ALL full-time undergraduate students can participate in the STAR Programme by signing up during the application period.

Why participate in the STAR Programme?

There are many benefits of participating in the STAR Programme, including:

- Enhancing your CV
- Engaging in challenging and interactive leadership initiatives
- Gaining recognition for your efforts in promoting campus integration and internationalisation
- Maximizing the achievement of your exchange experience
- Having FUN!

How to achieve the STAR Award?

The STAR Award is split up into Gold, Silver and Bronze recognitions. Students who have successfully completed all 3 STAR components will be offered the Gold Award. Completion of 2 STAR components will be offered the Silver Award while the Bronze Award will be offered to students who have completed 1 of the STAR component listed below.

The 3 STAR components are:

A. Participation in Student-Initiated Projects promoting campus integration (*The project ended in 2014/15*)
