Ranking and Milestones	Since its inception in 1969, Taylor's has continuously provided excellent services for its students in terms of diverse study options, relevant curriculum and teaching methods, on-going partnerships with leading universities worldwide, strong industry linkages, up-to-date facilities and a well-equipped campus. Taylor's University offers a myriad of courses in tertiary education encompassing fields such as Architecture, Computer Science, Engineering, Quantity Surveying, Biosciences, Law, Pharmacy, Business, Mass Communications, Creative Media, Hospitality, Tourism and Culinary Arts. The quality of the undergraduate teaching and learning at Taylor's was acknowledged when it garnered a 'Tier 5: Excellent' rating in the Rating System for Malaysian Higher Education (SETARA) in 2009, 2011, 2013 and 2017. Taylor's University has secured the 27th spot in the QS Asia University Rankings 2026. Besides that, Taylor's University has been ranked 253 in the QS World University Rankings 2026. The university has maintained its Top 20 global ranking for Hospitality & Leisure Management for the seventh consecutive year, reaffirming its position as the top institution in Malaysia and Southeast Asia for this subject. In a historic milestone, Taylor's University has also secured a Top 50 global ranking for History of Art, making it the only Malaysian university ranked in this subject. Additionally, the institution continues to excel globally, with Art & Design, Data Science & AI, and Marketing securing their positions in the World's Top 100, further solidifying Taylor's reputation for academic and	

	industry excellence. Taylor's University was also awarded 5-Star rating in seven categories of the QS Stars Rating 2019-2022 namely Online Learning, Teaching, Employability, Internationalisation, Facilities, Inclusiveness and Subject Ranking; recognising the strength of Taylor's Hospitality and Leisure Management. These achievements are important milestones for Taylor's, in line with its aim of becoming one of Asia's leading universities. Taylor's has also received numerous recognitions locally and internationally from professional bodies such as the CDIO Initiative (Conceiving, Designing, Implementing, Operating), National Academy of Engineering in the USA and the Royal Institution of Chartered Surveyors (RICS) to name a few. Taylor's continues to play a strong role in developing Malaysia's human resource capital, and boasts a 70,000-strong alumnus, many of whom have become leaders in their respective fields.
