The **Business School** offers an attractive [International Study Program \(ISP\)](#) each semester for bachelor-level exchange students who wish to study in English for one or two semesters, including courses in industrial engineering. The program also features a Fast-Track option during the winter semester, allowing students to complete their studies in a condensed time frame. In addition, the [International Master Exchange Program \(IMEP\)](#) provides a dedicated track for master-level students every winter semester. This program is taught entirely in English and includes many courses concluding shortly right before the Christmas break.

All exchange students applying for the [School of Design](#) should upload their application and all relevant materials after being nominated by their home university to our [Mobility Online](#) platform. Please reach out to the School of Design directly, if you have any questions on courses or learning agreements: exchange.design@hs-pforzheim.de.

ADMISSION POLICY FOR EXCHANGE STUDENTS

Minimum length of the study abroad is one semester (15 weeks). Maximum length of the study abroad is one year. Students may combine the study abroad with an internship (normally 100 working days or 5 months). A total of 18 months is the maximum length a student may stay on exchange basis. Many students complete one semester of studies and then decide to continue for a second semester, which may include an internship.

DIPLOMA SUPPLEMENT

Available for all students via the central university administration.

INTERNSHIPS

Pforzheim University is located in [one of Europe's most industrialized and innovative regions](#) and therefore perfect to get some practical experience as well. As long as international students keep the legal status of a student, it is possible to get an internship and to combine it with the study abroad period. Our [career center](#) is happy to help you.

HOUSING

Students are responsible for finding adequate housing by themselves. We recommend these [student residences](#). Rent is between 300 € and 400 €.

COST OF LIVING

On average 900 € for students (depending on individual lifestyle).

EXTRA CURRICULAR ACTIVITIES

We offer a Buddy Program (where international students get matched with a local student) and field trips in cooperation with the student initiative [ESN](#).

After successful application, exchange students will receive a digital letter of acceptance via the Mobility Online.
