- Zhejiang University, Mainland China

Strong Research Team at Lingnan University and Our Partnering Institutions

Professor Ka Ho Mok
Vice-President and Chair
Professor of Comparative
Policy, Lingnan University;
International Collaborator of
the Centre for Global Higher
Education

Professor Simon Marginson
Professor of International
Higher Education, University
College London; Director of
the Centre for Global Higher
Education

Professor Ka Ho Mok is a renowned scholar in comparative policy and comparative higher education research. He conducted projects with UNICEF, World Bank, and Lumina Foundation. He organized professional and executive training programmes of higher education management for delegates from Asia, especially from China's leading universities like Peking University, Zhejiang University, Sun Yat-sen University, and University of Nottingham Ningbo.

Professor Simon Marginson specializes primarily in higher education, and comparative and international education in the context of globalization. He is one of the world's most highly cited social science researchers in these fields. His major research areas also include higher education research in English-speaking countries, Russia and the Asia-Pacific; studies in the sociology, political economy, political philosophy and history of education.

Professional Services

Ranked as one of the Top 10 Liberal Arts Colleges in Asia, Lingnan University is committed to bridge universities in mainland China with the global leading higher education institutions, promoting research collaboration, student exchange and academic cooperation. We organize international conferences, postgraduate workshops, summer schools and professional training as an international education exchange platform for scholars, practitioners and senior administrators of higher education institutions. More specifically, our services focus on the following fields:

- Professional training for academics and university administrators
- Professional training for school teachers
- International consultancy
- International summer school/conference/workshop

Programme Developments

- Professional Diploma in Higher Education Management*
- Master of Arts in International Higher Education and Management*

Co-launched by:

- Lingnan University, Hong Kong
- University of Nottingham, Ningbo, Mainland China
- University of Hawaii at Monoa, USA
- National Chung Cheng University, Taiwan

Our Postgraduate Students

Mr Yin Ma

PhD Candidate, Department of Sociology and Social Policy, Lingnan University

Major research areas: international education, higher education development in contemporary China.

Ms Xiao Han

PhD Candidate, Department of Asian and Policy Studies, The Education University of Hong Kong

Major research areas: international education, higher education, and educational policy.
