⁺ Students are assigned to take CCC8011 and CCC8015 in the first year and CCC8013 in second term of the first year, and CCC8014 and CCC8012 in the second year.

[~] Students are assigned to take GDS1001, GDS1002, GDS1003, GDS1004 and CCC8013 in the designated terms. Unless with the approval of the Programme Director, students are not allowed to drop these assigned courses in the designated terms.

^{*} Exclusive seminar and tutorial sessions for GDS students.

^{##} For non-local students, assessment and course placements to be arranged by the Chinese Language Education and Assessment Centre (CLEAC).

^{**} Under the revamped English Language Enhancement (ELE) programme, students will be grouped under two streams. Group A students are those who obtained level 3 in HKDSE English or equivalent while Group B students are those who obtained level 4 or above in HKDSE English or equivalent. Students are encouraged to take their first required ELE course, viz. LUE1001 for Group A and LUE1002 for Group B, in First Term of Year 1. However, they are given the flexibility to take the respective courses in Second Term of Year 1. For Group A students who take LUE1001 in Second Term of Year 1, they should take LUE1002 in First Term of Year 2. For details, please refer to <https://www.ln.edu.hk/reg/undergraduate-programmes/english-language-enhancement-ele-curriculum>.

[@] Group A students have to take 1 ELE elective while Group B students have to take 2 ELE electives. ELE electives could be taken from the term in which LUE1002 is taken. For more details, please click <https://www.ln.edu.hk/reg/undergraduate-programmes/english-language-enhancement-ele-curriculum>.

[^] Recommended to take 4 cluster courses and 9 free electives. To enable students to take courses under different study areas when studying abroad, students will have the flexibility to take a minimum of 3 cluster courses instead of 4 and take correspondingly more electives. Students are not allowed to take more than one course in the same cluster for the purpose of fulfilling the cluster requirement.

GDS1003	Cultural Diversity and Community Well-Being (3 credits)
GDS1004	Global Business and Sustainable Development (3 credits)
GDS4000	Global Action: Capstone Project (6 credits)

(R) denotes required course(s).

[@] Group A students have to take 1 ELE elective while Group B students have to take 2 ELE electives. ELE electives could be taken from the term in which LUE1002 is taken. For more details, please click <https://www.ln.edu.hk/reg/undergraduate-programmes/english-language-enhancement-ele-curriculum>.

[^] Recommended to take 4 cluster courses and 9 free electives. To enable students to take courses under different study areas when studying abroad, students will have the flexibility to take a minimum of 3 cluster courses instead of 4 and take correspondingly more electives. In addition, students are not allowed to take more than one course in the same cluster for the purpose of fulfilling the cluster requirement.

^{\$} For Group B students who have taken a cluster course in Year 1, they shall take 2-3 cluster courses and a total of two ELE electives in Year 2 to Year 4.

[#] GDS students are allowed to take one of the three Discipline-related Professional Communication Courses (LUE4001/ LUE4002/ LUE4003) after completion of LUE1002 during any term in Year 2 to Year 4.

Concentration (Total 5 courses, 15 credits)

Students must choose one of four Concentrations—'Policy and Institutions'; 'Culture and Community'; 'Business and Economy'; or 'Human-Environment Interactions'—and complete 15 credits of coursework in the chosen Concentration. A minimum of two courses must be at the 3000- or 4000-level. Courses may be selected from the approved list of Lingnan courses, or courses from Lingnan and other institutions (local or abroad) may be applied upon approval (according to the criteria of categories A, B and C for each Concentration course list). Please refer to the following pages for the requirements and courses of each Concentration.

Electives (Total 5 courses, 15 credits)

Students select 15 credits of courses from Lingnan and/or study-abroad institutions that complement their major programme interests. Course choices must be proposed to and approved by the student's Academic Adviser; selected courses should strengthen and/or expand the student's area of expertise. A minimum of one course must be at the 3000-level or 4000-level. Courses may include, but are not limited to:

- a. Introductory or prerequisite courses for chosen focus areas
- b. Relevant cluster courses
- c. Technical, methodological and/or advanced courses to further a specific expertise
- d. Language, culture and politics courses in a particular world area
- e. Courses not already taken within the chosen Concentration
- f. Courses from the other (not-chosen) Concentration areas
- g. Relevant credit-bearing internships or service-learning projects

Students study abroad for two semesters on two different continents (subject to fulfilling study-abroad requirements). This may occur during Year 3 Term 1, Term 2 or Summer Term. Destinations should be chosen to enhance the particular study interests of each student.

Free Electives[^] (Total 9-10 courses, 27-30 credits)

Students may select courses in any disciplines to obtain the total number of credits required for graduation, subject to timetable, course load and study scheme constraints.

[^] Recommended to take 4 cluster courses and 9 free electives. To enable students to take courses under different concentrations/electives when studying abroad, students will have the flexibility to take a minimum of 3 cluster courses instead of 4 and take correspondingly more electives. In addition, students are not allowed to take more than one course in the same cluster for the purpose of fulfilling the cluster requirement.

Concentration (15 credits)

Students must choose ONE of four Concentrations.

For each Concentration:

- 1) A minimum of two 3000-level or 4000-level courses must be taken
- 2) A maximum of two Cluster courses could be taken
- 3) Courses must be taken from a minimum of two different letter codes (ie. ECO, HST, MKT, etc.)
- 4) Students are required to earn 3 credits in [A] and 12 credits in [B] and [C] combined.
