COURSES FOR 4-YEAR UNDERGRADUATE PROGRAMMES

MGSL3001 Service Leadership Practicum (3 credits)
(Prerequisite: Any credit-bearing service-learning course at Lingnan or its equivalent, plus meeting the requirements of a screening interview conducted by OSL & MGT)
Service leadership involves serving society and/or contributing to well-being and development for others, by taking initiatives in collaboration with service recipients and other stakeholders, while also meeting the service leader's personal needs. This 3-credit bearing practicum enables each student to practice service leadership through service-learning under supervision, working full-time in a host community organization such as a social enterprise or non-governmental organization (NGO), over a 4 week period during the summer term. The practicum experience will be launched by a 12 hour-long briefing workshop, including input from the Office of Service Learning (OSL). There will be a one-day experience-sharing workshop at the end.
