

The one-year study in the CPA programme at Lingnan University left a deep impression on me. Learning from experienced professors and participating in various events allowed us to build strong bonds with classmates and faculty members.

CPA503 Public Policy Lab and CPA601 Comparative Public Administration Capstone Project and Symposium Presentation were the most rewarding parts of my experience. The public policy lab invited accomplished professionals from various fields to deliver lectures, which were highly beneficial. Additionally, we had numerous opportunities for field visits, such as to the Court of Final Appeal and Po

Leung Kuk, providing practical insights. For the capstone project, we collaborated in groups, which helped us develop teamwork, communication, and coordination skills. Conducting street interviews together not only enriched our lives and experiences but also allowed us to understand diverse perspectives on important issues.

This year in the CPA programme at Lingnan University has been both valuable and unforgettable.

在嶺南大學比較公共管理社會科學碩士(CPA)課程的一年學習給我留下了深刻的印象。師從經驗豐富的教授，並參與各種活動，讓我們與同學和教職員建立了深厚的聯繫。

公共政策實驗室和比較公共行政畢業設計及研討會報告兩門課程是我最寶貴的學習經驗。公共政策實驗室邀請了各領域的傑出專業人士授課，令我受益匪淺。此外，我們也獲得了許多實地考察的機會，例如參觀終審法院和保良局，獲得了實用的見解。在畢業設計中，我們小組合作，這有助於培養團隊合作、溝通和協調能力。一起進行街頭採訪不僅豐富了我們的生活和經驗，也讓我們了解了對重要議題的不同視角。

在嶺南大學比較公共管理社會科學碩士（CPA）課程的這一年既寶貴又難忘。
