

Mr. Bien Wong

CESGA

Board Member & Honorary Treasurer

Friends of the Earth (HK)

Bien Wong has over 10 years of experience in the fields of sustainability strategy development, corporate communications and investor relations. He worked for global firms and companies listed on The Stock Exchange of Hong Kong. He is specialised in the corporate compliance and disclosure of environmental, social and governance related policies. He also assisted corporations in merging sustainability concepts into business strategies and to fulfil the stringent international standards in the field of sustainability.

Bien holds a MSc in International and Public Affairs from The University of Hong Kong and BSc (Hons) in Environmental Science from University of York in United Kingdom. He was one of the first EFFAS scholars in Asia Pacific to complete the Certified ESG Analyst (CESGA) programme and was further invited and appointed by EFFAS as one of the four examiners for the programme in the Asia Pacific Region.

Bien is actively engaged in the fields of sustainable finance, social impact investment and corporate governance. He is currently the Board Governor and Honorary Treasurer for Friends of the Earth Hong Kong. He is also a committee member in volunteer strategy planning for the Hong Kong Playground Association.
