

Mr. Marcus Chau, CESGA

Associate Director, Sustainable Finance
Sustainable Fitch

Mr. Chau is the Associate Director in Sustainable Finance of Sustainable Fitch. Marcus is a C ESG A holder, and he also holds several other certifications, including GARP Sustainability and Climate Risk (SCR®) Certificate and Certificate in ESG Investing issued by CFA Institute. He has extensive experience in devising sustainability strategies, implementing sustainability measures, and communicating sustainability performance from an investor's perspective. Marcus has worked in various roles in the sustainability field for over 16 years. Prior to Sustainable Fitch, Marcus was the regional ESG lead for the Executive Center and also worked with EY in the Climate Chance and Sustainability Services team.
